

What do funders look for?

Conference on Digitizing Oral History

Ball State University

September 20, 2007

LSTA Grants

- Federal funds
- IMLS oversight
- Statewide initiatives
- Mini-grants to libraries

Indiana Memory

- Statewide collaborative effort to provide access to Indiana's digital resources
- LSTA funding
- Promote collaborative digitization projects

Project Goals

- Is the project clearly defined?
- Does it fit the goals of the grant program?
- Can it be completed within the grant period?

Project Staff

- Experience with grant projects
- Knowledge of Oral History standards
- Knowledge of digitization standards

Project Budget

- Cost figures reasonable
- Allowable expenses

Did they follow the Guidelines?

- Was it submitted on time?
- Is the application complete?
