

Student Statement

Regarding Core Courses

I have been informed of the prerequisites for EDEL 200, EDEL 300, 301, 350, 351, and student teaching. I am aware that I will not be permitted to enroll in these courses until I have successfully completed all prerequisites. If I choose to repeat any of the core courses, I understand that I must be eligible for the repeat enrollment.

I understand that I must pass Decision Point 2 before I enroll in EDEL 300, 301, 350, 351 or any other junior and senior level professional education course.

Since conviction of a misdemeanor or felony may prevent me from being eligible for an Indiana teaching license, I understand that it is my responsibility to contact the Indiana Professional Standards Board to determine my eligibility status before pursuing a teacher education program.
