

Join Us

Are you a female professional in the Ball State or Muncie community?

This two year program provides opportunities and resources to nurture leadership, creativity, innovative mindset and problem-solving skills among female professionals and students.

During the second year, participants have the opportunity to partner with Ball State University students to serve as a mentor and advisor investing in the student's personal and professional growth.

Topics Covered

Personal Mission and Pitch
Personal Assessments
Work Life Balance
Confidence in the Workplace
Networking Opportunities & More
