

The Star Press

megan herbstreith and krista ranck

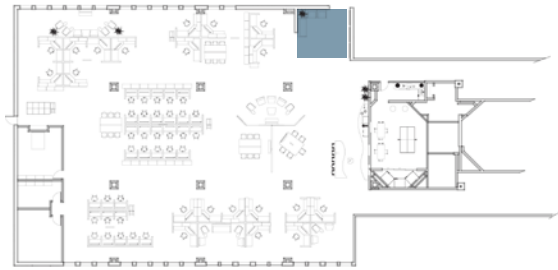

+ final presentation

Our mission is to create a space that is designed for **flexibility** and **collaboration** with a creative twist. Using open concepts and unique seating arrangements, we will create a **lively** and **productive** environment that is **eco-friendly**. By doing so we will be able to illustrate the **teamwork** and **dedication** of The Star Press employees to the community.
