

Honors College Application for Existing Ball State Students

Name _____ Date _____

Student ID Number _____ Email _____

Please provide paragraph responses to the following four prompts.

Describe your most positive academic experience since your arrival at Ball State University. What factors led to its success?

Describe a particular opportunity you hope to realize before you complete your undergraduate degree.

Describe your goals and aspirations for your college years and the years immediately following.

How do you hope to benefit from membership in the Honors College, and how do you think the Honors College will benefit from your participation?

Completed applications should be emailed to honors@bsu.edu. Applications will be promptly acknowledged and reviewed. Top priority, including consideration for any available Honors College scholarships, will be extended to applications for spring admission received by November 1 and applications for summer or fall admission received by March 1. Applications received after these priority dates will be considered as capacity permits.
