

The ALEKS PPL mathematics placement assessment is required for these majors:

Accounting
Actuarial Science
Aquatic Biology and Fisheries
Astronomy
Biology
Biochemistry
Business Administration
Business Analytics
Cellular and Molecular Biology
Chemistry
Chemistry Education
Chemistry Technology
Computer Information Systems
Computer Science
Computer Technology
Construction Management
Dietetics
Early Childhood and Early Childhood Special Education Dual Major
Early Childhood Education
Earth/Space Science Teaching
Economics
Elementary Education
Elementary Education and Special Education Dual Major
Entrepreneurial Management
Environmental Geoscience
Environmental Management
Exercise Science: Basic and Applied Science Concentration
Exercise Science: Health and Fitness Concentration
Exercise Science: Pre-Physical Therapy Concentration
Exercise Science: Pre-Occupational Therapy Concentration
Exceptional Needs: Early Childhood Special Education
Exceptional Needs: Hearing Impaired/Deaf Special Education
Exceptional Needs: Intense Interventions Special Education
Exceptional Needs: Mild Interventions Special Education
Field Botany
Geology
Finance
Health and Fitness
Human Resource Management
International Business
Legal Studies: Business Concentration
Life Science Teaching
Logistics and Supply Chain Management
Marketing
Mathematical Economics
Mathematical Sciences
Mathematics Teaching
Medical Technology
Meteorology and Climatology
Microbiology
Natural Resources
Physics
Physics Teaching
Pre-Audiology
Pre-Dentistry
Pre-Engineering
Pre-Medicine
Pre-Occupational Therapy
Professional Selling
Respiratory Therapy
Risk Management and Insurance
Sport Administration: Foundations of Business Minor
Wildlife Biology and Conservation
Zoology
