

BSU SCHOOL OF MUSIC GRADUATE COURSE ROTATION BUNDLE

Attached you will find 4 sheets, one for theory/comp, one for music history, one for music ed, and one for selected MusP courses. Rather than intertwining the information into one grid, it is presented individually by area so that you can see the offerings in each area clearly.

No information regarding day or time is presented here; a Registration Packet for each semester, which includes day/time information, is sent to all graduate music students in time for pre-enrollment.

¹ Mark Buselli plans on creating MUST 415/515, “Jazz Arranging II” as the course that follows MUST 414/514

² I don’t know if we will offer any taught-with computer-music courses in the future.

³ MUST 628, 691, and 791 (composition for non-majors, MM indep. study, DA indep. study) should be available for 1, 2, or 3 credits. Two credits is the norm.

⁴ There is some talk of changing MUST 722 (Seminar in the Principles of Music Theory, a.k.a. “Pedagogy”) to be a fall course. For now it is projected to be in the spring.

MUST Graduate Course Rotation thru Spring 2024.
