STUDENT CHECK SHEET MINOR: WORKPLACE WELLNESS

Use this check sheet, along with your Degree Works student report and course catalog to help you keep track of "where you are" in the minor.

ABOUT THE WORKPLACE WELLNESS MINOR

This minor gives students a knowledge of workplace wellness issues, concepts, and methods. It is an asset for students who wish to pursue careers in health and wellness positions with companies and organizations. These positions are found in human resource settings, health services administration, and in areas of health promotion. This minor complements health and business focused majors. Workplace wellness culture, wellness coaching/counseling skills, and program planning are explored.
