

**The Academic Year 2024-2025 Funding Round application link will be added to the website in January 2024. Based on the Student Organization Fund Allocation Policy on the website, the Academic Year Funding Round application deadline will be the third Monday in March. The Student Organization Fund Allocation Committee will not meet until March/April, at which time they will review all applications to the Academic Year Funding Round.**

**If an organization is allocated funds from the Academic Year Funding Round, the funds will be available for events and activities which take place during the 2024-2025 academic year. Funds will not be allocated to events and activities which have already taken place.**
