

IDOE Principal Survey

Aggregate Responses

<p>This survey is administered by the Indiana Department of Education per House Enrolled Act 1388 on an annual basis. Aggregate data is posted on the IDOE website. The IDOE shares disaggregated data per content area to each EPP. Principals are responding to statements divided into three domains (knowledge, disposition, and performance) and reflect elements of the Council for the Accreditation of Educator Preparation (CAEP) and the Model Core Teaching Standards, Interstate Teacher Assessment and Support Consortium (InTASC). EPPs are expected to meet these standards in order to prepare educators for licensure (511 IAC 13-1-1).</p>
