

ENERGIZED ENGAGED & EVOLVING

WELCOME TO MUNCIE!

THIS IS THE MUNCIE OF TODAY – a small Rust Belt city known as “Middletown, U.S.A.” that is emerging as a regional anchor with diverse and creative residents, cultural opportunities and amenities, significant neighborhood engagement, and a strong community will to address our most significant challenges together.

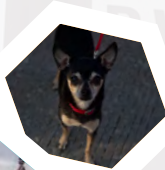

As the area’s largest employers, Ball State University and IU Health Ball Memorial Hospital lead the NextMuncie Initiative, a collaboration among Muncie’s private, public, and philanthropic sectors to build lively places, foster healthy living, and foster momentum for new investment and development.
